

The Safest Place in the World?

Can you hear it?? Listen carefully. These are the screams just today of over 3,700 children literally being torn from the safest place in the world, their Mother's womb. Many have chosen to fill their ears with lies rather than the truth. It's bad enough when a child in the womb is killed when it is unable to live outside the womb, but it's horrific to think that Doctors will pull out feet first, a fully formed baby, that is completely capable of living outside the womb and murder that baby. It's not considered murder of course if the head stays in the Mother's body. Does this sound barbaric to you? Not much has changed since the days parents would sacrifice their children to their gods, we sacrifice ours to convenience, fear, and to vanity.

Job 31:15 - Did not he who made me in the womb make them? Did not the same one form us both within our mothers.

The good news is there are warriors in God's army that are making a difference. One person can move mountains. Around the country there are abortion clinics closing down. This is by the power of prayer. If you feel there is nothing you can do, think again.....the question is, are you willing to take time out of your day to pray for these babies? To pray for an end to abortion, to pray that our nation's leaders will see abortion for

what it really is....murder!! Isn't it interesting that if a pregnant woman is murdered, the murderer gets charged with TWO counts of murder??? Something doesn't add up here. Yet no one seems to be up in arms about this contradiction.

The **Unborn Victims of Violence Act of 2004** (Public Law 108-212) is a [United States](#) law which recognizes a "child in utero" as a legal victim, if he or she is injured or killed during the commission of any of over 60 listed federal crimes of violence. The law defines "child in utero" as "a member of the species *Homo sapiens*, at any stage of development, who is carried in the womb". WIKIPEDIA

Psalm 139:13-16 - For you created my inmost being; you knit me together in my mother's womb. I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well. My frame was not hidden from you when I was made in the secret place. When I was woven together in the depths of the earth, your eyes saw my unformed body. All the days ordained for me were written in your book before one of them came to be.

How many people have been murdered that could have made a difference in this world. We've all heard this but it's true. Cancer may have been cured by one of these little ones, wonderful teachers and preachers that could have changed lives and saved many souls. We just don't know what we threw away, literally torn to pieces and thrown in the garbage. Woe to us!

Ephesians 2:10 - For we are God's workmanship, created in Christ Jesus to do good works, which God prepared in advance for us to do.

Our children are treated as expendable, like trash. Babies are aborted for a variety of reasons. Some because of pure vanity, some women do not want carrying a child to ruin their figures, give them stretch marks, and whatever hormonal changes that come with pregnancy. Some because of finances, they can't afford to take care of the baby, and some because of inconvenience, it will change their lives in ways they don't want. Of course there are other reasons such as rape, incest, fear of rejection and more. This is a human life we are talking about. There are no reasons good enough to kill our babies, especially when millions of want to be parents are waiting to adopt a child, some have waited for years. Yet these babies that can be loved and cared for by others are being ripped from

their Mothers' wombs and thrown in the garbage. What a tragedy.

There is Forgiveness

Many women believe that this is the unforgiveable sin. That just isn't true. Our God forgives all sin, if the sinner is truly repentant. Some women and men may think that this sin will not affect their lives in any real meaningful way, but find out days, months, or even years later that they are in a terrible state of guilt and remorse yet haven't been able to one, admit what they have done, truly let the words, "I killed my unborn child" pass their lips, and two, ask for forgiveness, therefore they remain in denial, while still suffering the consequences of that decision.

Some women have realized what they have done and have asked for forgiveness but still live with the pain and regret of their abortion. They keep it hidden and put on a mask that they show the world so no one will know their torment. Truly in their heart, they have not forgiven themselves. They know that the Lord does forgive but that they do not deserve his forgiveness, therefore they can't accept it and still live in a world of sorrow and regret. One just needs to pick up the bible and read the words of God himself in order to realize that he forgives all sin, no matter how horrific it might be.

Luke 7:47-48 "...Therefore I tell you, her sins, which are many, are forgiven—for she loved much. But he who is forgiven little, loves little." And he said to her, "Your sins are forgiven."

Ephesians 1:7-10.. In him we have redemption through his blood, the forgiveness of our trespasses, according to the riches of his grace, which he lavished upon us, in all wisdom and insight making known to us the mystery of his will, according to his purpose, which he set forth in Christ as a plan for the fullness of time, to unite all things in him, things in heaven and things on earth.

Heb. 8:12 "For I will be merciful to their iniquities, and I will remember their sins no more"

Receive the Lords full forgiveness. He will not remember your sin, you must think as God thinks and not revisit the past again. Also, don't worry about your future. God is in control, give it over to him.

Mt 6:34 "Therefore do not worry about tomorrow, for tomorrow will worry about itself. Each day has enough trouble of its own."

Jesus loves you, not because of you, but because of who he is. He knew you before the beginning of time, he loved you before you were even formed in the womb, he died for your sins and mine. Surrender to him, give it all to him. Do not hold on to this guilt and pain any longer. Remember what Jesus said, "**Come unto me, all ye that labor and are heavy laden, and I will give you rest.**"
